- Traffic Control
- Exclusive Use of Public Space
- Street Closure
- Large Equipment or Other Set Up
- Amplified Sound

Description of Activity and Impact Mitigation Measures

Production will be filming for a web series titled "Car Show Rivalry" at Hamilton Viewpoint Park. The filming activity will play out like a large-scale car show, with cars on display, a cheering crowd, dancers, DJs, and more.

To facilitate production needs, Seattle Parks & Recreation has approved a full closure of the park for the duration of the day. Pedestrians will not be denied access to the park itself, but much of the park will be restricted during the filming. The parking lot will be closed completely to vehicle traffic and parking. The production is obtaining a Temporary Noise Variance from the City for early hours work (6:00am to 7:00am).

Neighbors who need any special access or accommodations should reach out to the production contact listed below – and we will gladly assist.
